London Heathrow Terminal 5

Client: BAA Airports
Contractor: Bailey Off-Site
Products: Stourflex Single Hinged
Angular Expansion Joint &
Slide Guides

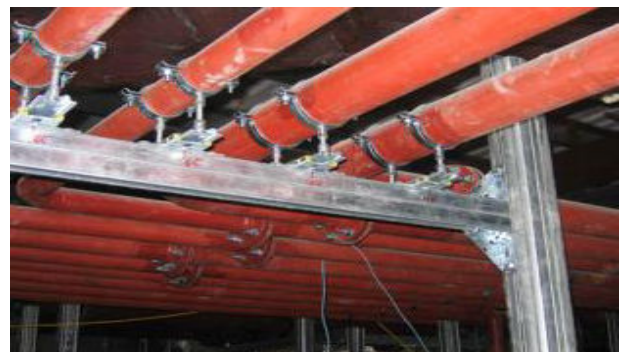

Stourflex were awarded the contract by Bailey off-site to supply the expansion bellows and slide guides to the primary plant corridor at Heathrow's Terminal 5.

NG Bailey is among the UK's leading providers of building services, mechanical, electrical and off-site manufacturing solutions. Working closely with Bailey off-site Stourflex were able to assist in the selection and positioning of expansion joints and slide guides within the modular system for the prestigious project.

The products supplied include the JP233 Single Hinged Expansion Bellow and over 600 Slide Guides for the Heating, Chilled and Hot Water Services.

Stourflex offer a complete design service which includes technical advice, site surveys and after sales support
